Public Safety

YLP Coordinator

Grady Carlson
Phoenix Police Department

All FBINAA Members;

Your Arizona Executive Board is proud to announce the opening of the 2025 FBINAA Youth Leadership Program (YLP) application process. This dynamic leadership development course is scheduled for June 19-27, 2025, at the FBI Academy in Quantico, VA. As many of you know, each State Chapter can select one qualified representative for this program at no cost to the attendee.

Applicants must be an incoming high school sophomore or junior, ages 14-16, at the start of the program. Applicants **must have** demonstrated above-average academic standards (a 3.0 or higher GPA on a 4.0 scale) and good citizenship. Applicants must be physically and medically fit to meet program activities. Physical training is incorporated into daily YLP activities, culminating in a 4.25-mile run on the famed USMC obstacle course "Yellow Brick Road." Applicants must complete a medical information/release **form by a** certified physician and attach it to the YLP application. Any costs related to the medical release are the responsibility of the applicant's family.

While NA dependency is not required for YLP applicants', selection points are awarded during the selection process if the applicant is related to an NA graduate(s).

To request the application packet, email Phoenix Police Department Commander Grady Carlson at grady.carlson@phoenix.gov. The completed forms must be returned via email.

6635 W. Happy Valley Rd.
Suite A104-465
Glendale, AZ 85310
Phone: 602-339-3545

The deadline date to submit the completed forms is Monday, February 3, 2025.
